

Media Release

Haag, July 4, 2018

As a result of a faster closing process, VAT Group AG (VAT) decided that it will now release its half year 2018 results on **August 2, 2018** instead of August 24, 2018 as previously announced.

VAT will publish a media release at 7am CET on August 2, 2018 and will at the same time make the 2018 half-year report and the presentation slides (in English) available on its website www.vatvalve.com.

The company also plans to host an analyst and media event on this day at 10am in Zurich. Details for the event will be made available shortly.

ABOUT VAT

VAT is the leading global developer, manufacturer and supplier of high-end vacuum valves. VAT vacuum valves are mission-critical components for advanced manufacturing processes of innovative products used in daily life such as portable devices, flat screen monitors or solar panels. VAT is organized into three different reporting segments: Valves, Global Service and Industry offering high-end vacuum valves, multi-valve modules, edge-welded bellows and related value-added services for an array of vacuum applications. VAT Group is a global player with over 2'000 employees and main manufacturing sites in Haag (Switzerland), Penang (Malaysia) and Arad (Romania). Net sales in the financial year 2017 amounted to CHF 692 million.
